See Overleaf for Conditions of Issue of This Certificate

ANNEXURE-I

(To Works Approval Certificate No. 2016WAC023 dated 22 August 2016)

CONDITIONS OF APPROVAL

1. Approval of works under this scheme does not eliminate normal inspection and testing.
2. Any alteration being made to manufacturing facilities and procedures would require re-assessment of the works for continued approval.
3. Material of pump casing, impeller, rotors/shafts & internal parts is to be suitable for the fluid being handled.
4. Materials containing asbestos are not to be used in the pump construction.
5. The certificate is valid for one year and will be extended for the period of further four years based on in-service performance, audit & testing.
